

BOSSC

Initial Exchange Offering

ROAD MAP

BOSSC

2,000,000,000 BOSSC 20/JUN

We thought that the convenience, transparency, and peace of mind of the service would be impossible unless the price of the token were stable when it was exchanged in the online game platform.

As a result of the market analysis based on that, We issue 2 billion tokens, which is the most stable price and a critical factor when considering supply and demand.

IEO

20/JUN

Starting with the Bell Wood exchange, it will be listed on Crypt currency exchanges around the world and begin to be handled as IEO. In this period, we will appeal 50% of the issues to investors around the globe and potential customers of online gaming that we will be entering.

Commencement of operations 30/JUL

It adds live functionality to its unique online casino platform and delivers real-time coverage of Various card games including blackjack and Baccarat. With the launch of the official version, we aim to further expand the market by mobilising a large number of ethnic and multilingual speakers to provide services to the world.

FIRST LAUNCH SALE 20/JUN - 15/JUL

To celebrate the issue of BOSSC and the anniversary of listing on the cryptocurrency exchange, exclusive sales will be conducted at each cryptocurrency exchange at a price lower than the listed price.

JUN JUL AUG

EXCHANGE

BOSSC will go public at Bell Wood 20/JUN

BOSSC will go public at Bell Wood first. At the same time, we plan to list on cryptocurrency exchanges around the world. We will increase liquidity by listing BOSSC on major exchanges around the world, starting with the first exchange that will be listed to make BOSSC a token specialised in the convenience that can be exchanged for any cryptocurrency.

SECOND LAUNCH SALE 15/JUL - 30/JUL

To celebrate the issue of BOSSC and the anniversary of listing on the cryptocurrency exchange, exclusive sales will be conducted at each cryptocurrency exchange at a price lower than the listed price.

β version to start "pre-opening." 20/JUL

Launch beta version of its online casino platform. There will be 18 slots, five jackpot games, a typical table game, and the Beta edition will start for those who have owned BOSSC during the IEO period. We will create a special team to solve the problem for this effort and be ready to respond quickly and fix any issues.
